

# EU CE Marking EC Certificate of Conformity

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products:

## **Krytol Internal Membrane – HS (KIM-HS) <sup>TM</sup>** Concrete admixture

Produced by the manufacturer:

**Kryton International Inc.**  
1645 East Kent Avenue  
Vancouver, British Columbia  
Canada, V5P 2S8

In the factory at

East Kent Avenue, Vancouver, BC

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan; and that the approved body, the British Board of Agrément (BBA), has performed the initial type-testing for the relevant characteristics of the products, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control and an audit testing of samples taken at the factory, on the market or at the construction site.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the Standard: EN 934-2:2001 were applied.

This certificate was first issued on 29 March 2005 and remains valid as long as the conditions laid down in the harmonized technical specifications in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Signed on behalf of Kryton International Inc.

Issue date: 29 March 2005
