BASIC SHAPES & GRAPHICS

Different contrasting colours, shapes and number designs can all be used within the surface of Playon to encourage learning through play. Below are a few examples of graphics which can be installed within the system either as a feature, or part of a larger overall design, the only limit is your imagination.

If you would like advice on your options, or would like us to help with your design, then please contact Conren's Technical Services Department.

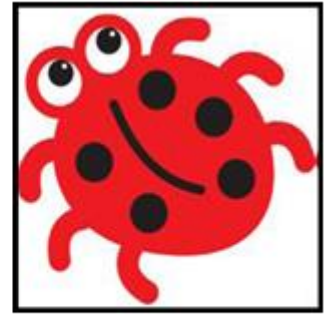

CRAB

CROCODILE

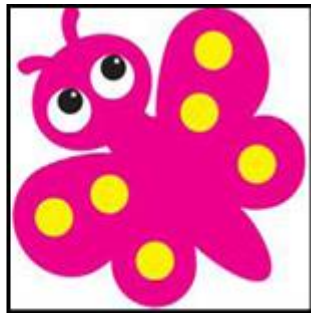

BEE

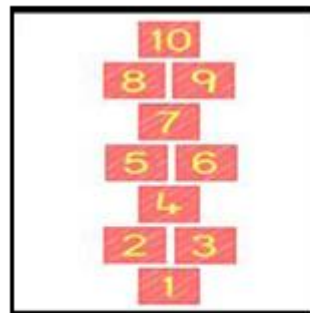

LADYBIRD

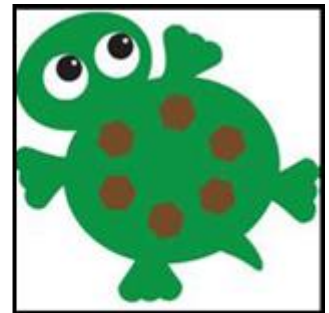

FLOWER

BUTTERFLY

HOPSCOTCH

TURTLE

NB. Each colour sample has been carefully photographed, but please remember these may vary slightly to the actual product colour due to the constraints of the printing process
